

## CSSS.NET Wins Three International Business Awards

**WASHINGTON, Aug. 16, 2013** — [CSSS.NET](http://www.csss.net), a leading provider of mission-critical technology solutions and one of the fastest-growing women-owned, service-disabled veteran-owned government solutions providers in the country, announced today it was awarded three 2013 Stevie® Awards in the 10th Annual International Business Awards. CSSS.NET took gold honors for both Company of the Year and Executive of the Year as well as a bronze award for IT Team of the Year.

“We are honored to receive these awards and thankful to our amazing team for making it possible,” said Lisa Wolford, president and CEO of CSSS.NET. “We look forward to continuing to grow and bring our customers the very best solutions.”

Notable achievements included in CSSS.NET’s nominations included the company’s impressive growth rate, ongoing commitment to veterans, and diverse areas of expertise in both the civilian and defense government markets.

More than 3,300 nominations from organizations of all sizes and in virtually every industry were submitted this year for consideration in a wide range of categories. Stevie Award winners were selected by more than 250 executives worldwide who participated in the judging process this year. After two months of preliminary judging and two weeks of final judging, CSSS.NET is being awarded:

- Gold Stevie Award to founder, CEO and president Lisa Wolford for Executive of the Year in the aerospace and defense category
- Gold Stevie Award for Company of the Year in the aerospace and defense category
- Bronze Stevie Award for Information Technology Team of the Year

The Stevie Awards were created to honor and generate public recognition of the achievements and positive contributions of organizations and working people worldwide. The 2013 International Stevie Award winners will be celebrated during a gala banquet at the W Hotel in Barcelona, Spain, on Oct. 14, 2013. Details about the International Business Awards and the lists of Stevie Award winners are available at <http://www.stevieawards.com/IBA>.

### **About [CSSS.NET](http://www.csss.net)**

CSSS.NET is a leading provider of mission-critical technology solutions and one of the fastest-growing, women-owned, service-disabled veteran-owned government solutions providers in the country. CSSS.NET delivers award-winning solutions in cybersecurity, IT engineering, critical systems engineering, telecommunications network management and program management. CSSS.NET has an Operations Center in Bellevue, Neb., from which it supports a wide array of government customers in defense and civilian sectors, including the U.S. Strategic Command, U.S. Air Force, U.S. Marine Corps, U.S. Navy, Veterans Administration, Environmental Protection Agency, Internal Revenue Service, Department of Agriculture and Small Business Administration. CSSS.NET has been honored with a number of awards for its outstanding services, commitment to hiring veterans and growth as a small business, including the 2012 Inc. Hire Power Award, Veteran Small Business Services Champion of the Year award by the Small Business Administration, and Top 100 FedList Telecommunications Network Management Contractors by the Federal Times. CSSS.NET is based in Washington, D.C., and was founded in 1997 by Lisa Wolford, a nationally recognized business leader who started her career as a field radio operator in the Marine Corps.
